

Snegurochka - the flagship office paper brand by SLPK

Snegurochka is a snow-white, high-quality copy paper. It is suitable for printing on all types of office equipment. You can trust Snegurochka with your most important documents: even after many years they will look as bright as if they had just come out of the printer. This paper will not jam, curl or fade over time, helping to keep your office running smoothly.

Snegurochka copy paper is named after the Snow Maiden because it's white as snow and people love it.
